

THE LEVEL '0' COACHES COURSE

Context:

The Level-0 cricket coaching course is designed as an entry – level program aimed at introducing aspiring coaches to the fundamental aspects of cricket. This comprehensive e-course covers batting, bowling & fielding along with an emphasis on understanding effective teaching methods & designing learning environments that are required to foster a solid foundation in the aspiring young cricketers. This course aims to instill a passion for the game while equipping coaches with the essential knowledge, skill, and attitudes to guide the beginners on their cricketing journey.

Thus, the completion of this Level '0' e-learning course is a prerequisite to qualify for the NCA BCCI Level 1 Coach Certification Program.

Conduct:

Currently the State Associations hold the responsibility to conduct the Level-0 course themselves and few leaned on National Cricket Academy's support to conduct the same, which involved logistical arrangements and expenses.

However now with this E-learning course on offer on the NCA's Learning Management System, all the effort, time and expenses have been eliminated.

This course will be offered in 8 different languages in English, Hindi, Gujarati, Marathi, Kannada, Tamil, Bengali, & Telugu to support potential candidates in every remote corner of our country.

Course Completion:

This Level-0 e- Learning module can be completed online by the candidates chosen by your Association.

Step 1: Association to send in nominations of potential candidates along with email IDs and phone number.

Step 2: NCA to provide access to nominated candidates.

Step 3: Candidates to take the course online.

Step 4: Results will be declared to the association basis which they can recommend the candidates who are eligible for the BCCI Level 1 course when such courses are announced by NCA.
